AGREEMENT FOR PRE-TRIAL DIVERSION

JAMES R. LARSEN, CLERK
DEPUTY
RICHLAND, WASHINGTON

It is alleged by an Information Superseding Indictment that you committed, on or about January 1, 2001, and continuing through on or about October 20, 2005, an offense against the United States in violation of 18 U.S.C. §§ 371 and 2, in that you unlawfully conspired and aided and abetted to commit a certain offense against the United States, to-wit: Conspiracy to Misbrand a Drug While Held for Sale (Baytril), in violation of 21 U.S.C. § 331(k). It appears, after an investigation of the offense and your background, that the interests of the United States and your own interest and the interests of justice will be served by the following procedure, therefore:

On the authority of the Attorney General of the United States, by James A. McDevitt, United States Attorney for the Eastern District of Washington, prosecution in this District for this offense shall be deferred for a period of 12 months from the date of the filing of this Agreement, provided you abide by the following conditions and the requirements of the Pre-Trial Diversion program set out below.

The United States Attorney agrees that the necessity of this diversion shall be subject to review 6 months following the filing of this agreement. If, at that time, a Pre-Trial Diversion report is received to the effect that you have complied with all the rules, regulations and conditions above mentioned herein, you shall be released from this agreement and the United States will move to dismiss, with prejudice, the charge for the above described offense.

Should you violate any conditions of this supervision, the United States Attorney or his designee may revoke or modify any conditions of this Pre-Trial Diversion program or change the period of supervision for an additional period which shall in no case exceed 12 months from the original termination date of the diversion agreement. The United States Attorney may release you from supervision at any time. The United States Attorney may at any time within the period of your supervision reinitiate prosecution for this offense should you violate the conditions of this supervision and will furnish you with notice specifying the conditions of your program which you have violated.

Neither this Agreement nor any other document filed with the United States Attorney as a result of your participation in the Pre-Trial Diversion Program will be used against you in connection with any prosecution for the above described offense or be provided to any other person or entity other than the United States Attorney's Office, United States District Court, and the United States Probation Office without Court order or as otherwise required by law.

CONDITIONS OF PRE-TRIAL DIVERSION

1. You shall not commit a violation of any law (federal, state and local). This condition shall not apply to infractions. You shall immediately contact your Pre-Trial Diversion supervisor if arrested and/or questioned by any law enforcement officer.

2. You shall be employed regularly at a lawful occupation.

3. You shall continue to live in this judicial district. If you desire to move out of the district, you shall obtain permission from your diversion supervisor so that the appropriate transfer of program responsibility can be made prior to your relocation.

4. You shall report to your diversion supervisor as directed and keep him/her informed of your whereabouts.

5. You shall not possess, control and/or consume any controlled substance without a valid prescription or items commonly used for the consumption of such substances (drug paraphernalia), or be in any place where such substances are located, controlled and/or consumed. Prescription drugs shall not include marijuana.

6. You shall strive to achieve the desired goals of the program.

I, **HEIDI ESTHER MEELEY**, assert and certify that I am aware of the fact that the Sixth Amendment to the Constitution of the United States provides that in all criminal prosecutions the accused shall enjoy the right to a speedy and public trial. I also am aware that Rule 48(b) of the Federal Rules of Criminal Procedure provides that the Court may dismiss an indictment, information, or complaint for unnecessary delay in presenting a charge to the Grand Jury, filing an information, or in bringing a defendant to trial. I hereby request that the United States Attorney for the Eastern District of Washington defer any prosecution of me for violation of 18 U.S.C. §§ 371 and 2, as described herein, for a period of 12 months, and to induce him to defer such prosecution I agree and consent that any delay from

the date of this Agreement to the date of the initiation of the prosecution, as provided for in the terms expressed herein, shall be deemed to be a necessary delay at my request and I waive any defense to such prosecution on the ground that such delay operated to deny my rights under Rule 48(b) of the Federal Rules of Criminal Procedure and the Sixth Amendment to the Constitution of the United States to a speedy trial or to bar the prosecution by reason of the running of the statute of limitations for the effective period of this Diversion Agreement.

I hereby state that the above has been read by me and explained to me by my attorney. I understand the conditions of my Pre-Trial Diversion and agree that I will comply with them.
